

OC GLOBAL ALLIANCE IMPACT – 2020

EMBRACING THE CHALLENGE

Jesus didn't say the Great Commission would be easy. Making disciples of all nations is a challenge like none other.

God invites us to join him – through pandemics, lockdowns, and social disruption – to bring biblical hope to people in every community and culture.

Challenge invites change. In 2010, One Challenge courageously decentralized into the OC Global Alliance, a network of 14 national mobilization centers. Innovation was unleashed and fruitfulness surged.
