

“GO
make
DISCIPLES
of all
NATIONS”

– Matthew 28:19

We **CONNECT** with the global church
to **EMPOWER** local ministry so
they can **IMPACT** nations.

EQUIP

We **EQUIP** the global body of Christ with the resources it needs to spread the gospel. With these tools, it can plant and grow healthy churches, provide continuing education, create community through sports ministry, and identify and mentor future leaders.

SEND

We seek to empower the whole body of Christ to bring transforming love and hope to all people. Our “from everywhere to everywhere” mindset informs our desire to see local bodies of believers identify, train, and **SEND** global workers.
