ONE Purpose

ONE ... this singular word is core to fulfilling the Great Commission. Jesus prayed for his followers to experience the power of **ONE**. The early church demonstrated it. And Paul coached believers toward unity, writing that we share **ONE** purpose as "co-workers in God's service" (1 Cor. 3:8-9).

Being ONE in Jesus has never been more important as believers from virtually every nation work together to carry the good news to the remaining unreached peoples and places in the world. In our polarized world, the global body of Christ is partnering to a degree never seen before.

One Challenge is all about ONE. It's in our name! We love to help churches and organizations come together to multiply disciples, stimulate movements, and saturate whole nations with healthy churches. Toward this end, we serve as catalysts, connectors, coaches, and behind-the-scenes facilitators. Collaboration leads to acceleration!

This 2023 ministry report points to the impact of **ONE** through the OC Global Alliance, a dynamic coalition of 15 mobilization centers. Your teamwork is touching the nations. ***Thank you*** for being **ONE** with us in what God is doing!
