

GROWING A GARDEN FROM A SEED

For the last 70 years, OC has existed and thrived because of our donor partners. We are still seeing exciting opportunities around the world to empower ministries, communities, and people to impact nations with the gospel! One opportunity is the **Seed Fund**, which allows One Challenge to embrace possibilities and respond to needs as God instructs.

Shower Us in Prayer

- Pray for the growth of the Seed Fund!
- Please pray along with us for God's people to bring their seeds and allow him to grow them into a beautiful, diverse garden of ministry and impact—in his timing and his way.

How God is Using the Seed Fund

- Member care
- Mission worker projects
- Mission worker training
- Expanding ministry roles
- Underfunded mission workers
- New mission worker recruitment
- Sudden ministry needs (crisis or relief)
- Internal obligation (caring for retired workers)
- And so much more!

Double Your Impact!

This spring, through a generous friend of One Challenge, God gave us an opportunity for growth! **Every dollar beyond normal giving to the Seed Fund by the end of June will be matched by our generous friend up to \$45,000**—dollar for dollar—seed for seed. This means we could potentially raise \$90,000 to reach people with the gospel and the love of Jesus.

God is already at work!
We are excited for how his blessing will continue.
