

Woven Together For His Glory

Have you ever seen the back of a tapestry? Bundles of threads, converging colors, and only a wavy idea of the bigger picture. Yet, on the other side, there is intricate beauty. Beauty that can only be achieved by a master weaver.

As the Master Weaver, the Lord intertwines the warp and weft of his masterpiece. We are merely threads, tangled and woven as one for His glory.

As One Challenge reflects during this season of thanksgiving, we are grateful to be on mission with you! As our threads work side by side, intersecting in prayer, ministry, and generosity, we know we cannot do the work of the Holy Spirit without you.

Thank you for being a part of the tapestry the Lord is weaving!
