Sending and Empowering Global Workers

"A mission is made of people – missionaries, prayer partners, and donors ... people like you and me. ... As we work together, it is 'our' helping the whole church to reach the whole world."

– Dick Hillis, OC Founder, 1962

THE SEED FUND

For the last 70 years, OC has existed and thrived because of our donor partners. We are still seeing exciting opportunities around the world to empower ministries, communities, and people to impact nations with the gospel!

One opportunity is the **Seed Fund**,* which allows One Challenge to embrace possibilities and respond to needs as God instructs.

* *The Seed Fund is new terminology for the "general fund" — the heart of fully giving to the Lord for His purposes is unchanging.*

How God is Using the Seed Fund

- Member care
- Mission worker projects
- Mission worker training
- Expanding ministry roles
- Underfunded mission workers
- New mission worker recruitment
- Sudden ministry needs (crisis or relief)
- Internal obligation (caring for retired workers)
- And so much more!

DIVE DEEPER

Here are some ways you can learn more and get involved ...

LEARN:
The US-MC has a rich ministry fortifying OC's global ministry. Learn more!

CONNECT:
We want to serve you and your church. Discover how!

GO:
Want to serve with OC? We would love to connect with you and discover God's calling on your life.

GIVE:
Partnering with OC gives you the opportunity to impact nations with the gospel.

YOU!

Many things make our US-MC spectacular! We look forward to the rest, relaxation, sharing, and caring with our US-MC people! It's like coming back to "family" in Colorado.

– OC worker in East Asia

People are OC's most precious resource; helping them flourish in life and ministry is our highest calling. Your teamwork with the US-MC enables OC global workers to receive top quality care and bear much fruit in serving Jesus.

– Dean Carlson, OC President

Our ministry is to ensure our people thrive while following their God-given calling. We prepare them, send them, and support them in such a way that they will remain in effective service for as long as possible.

– Marla Henderson, Sr Dir of Personnel

Our ministry is to donors – to share amazing God stories, pray with them and for them, and walk alongside them in their journey with the Lord. God has entrusted us to help take them to their highest calling, joy in generosity, whatever that may look like for each individual.

– Tara Fox, Stewardship Ministries

I am excited to be about what God is doing, and he is clearly moving within OC. I love being involved in His business. Support of these ministries and these people is my piece of how God is at work. We are living out our calling.

– Taylor Thurston, IT & Director of Marketing
