

# OC GLOBAL ALLIANCE IMPACT

**COLLABORATION** is essential to the Great Commission. Jesus wove his disciples into a community and then commissioned them into global teamwork. He intertwined togetherness with their effectiveness (John 17). In our broken world, your connection with global workers brings hope in Jesus where it's needed most.

**CREATIVITY** surges when believers from different walks embrace a kingdom vision bigger than themselves and combine their strengths in a God-sized challenge. Your teamwork builds transformational momentum as One Challenge USA links with 14 other OC Global Alliance mobilization centers serving 419 partnering initiatives in 101 countries impacting millions.

**CELEBRATION** flows when collaboration leads to breakthroughs: like a disciple making movement in Southeast Asia nearing 1 million believers! Our shared commitment to God's kingdom has transformed lives and strengthened communities. The good news has spread across nations. You make this possible, enabling us to serve others and bring hope in ways we never could alone.

As you read about the impact of the OC Global Alliance in this 2024 ministry report, we hope you sense God's affirmation and our deep gratitude. Thank you for being a vital part of One Challenge!

*OCGA get-together at Lausanne 4 in South Korea.*

**210,118** ◆ New Believers in Christ
