Giving a Donation Online

You are a valued partner!

We value you as a partner in ministry with us. Your contribution to further the Kingdom of God blesses our Lord, us, and believers around the world.

We commend you and encourage you to continue to seek God's will for your giving. Should you be led to automate your giving, this brochure will assist you in that choice.

Setting up an automated form of contributions means that you:

- Make your regular donation through an automatic bank transfer or online payment
- Save the cost of postage for yourself and OC
- May change or cancel your donation at any time online
- Access your own annual tax report from OC

Automated giving is one way to express an ongoing commitment which empowers your mission worker in their jobs.

Contributions are received with the understanding that OC has complete discretion and control over the use of all donated funds. This is to ensure that your gift is fully tax-deductible under IRS rulings.
