GIVINGTUESDAY DEC 1

WHY *Giving Tuesday?*

"Freely you have received; freely give," Jesus instructed the 12 as he sent them out to minister in Matthew 10. Though we are called to give and receive every day, **we have a special opportunity on December 1 to take part in one targeted day of generosity—Giving Tuesday**. One day to give above and beyond to further all that God is doing through OC around the world.

We're inviting our entire ministry family to participate in this opportunity as givers and receivers, global workers and partners. Don't miss the chance to see what God has in store!

WHERE *is God working in OC?*

God is at work in and through One Challenge! People are coming to Christ, being blessed through holistic care, and growing in unity. Every extra gift, regardless of worker or project, expands what God is doing.

Friends of One Challenge have already pledged $42,770 (with more to come) to this year's challenge grant! Are we ready to meet the challenge, to go above and beyond on Giving Tuesday?

We have provided a few suggested projects, but remember, you can give any amount to anyone or any project on Dec 1.

HOW *you can participate:*

Give via check: Make your check payable to One Challenge; include a note with person(s) or project(s) along with "Giving Tuesday." Mail it with a postmark dated December 1 or earlier.

Give online on December 1 at **onechallenge.org/giving-tuesday**
