Pray with One Challenge, November 2026

Week 1: Prayer for Onward

- **Thank** God for the strong response to Onward. **Pray** that He would continue to draw the people He wants to be part of the gathering.
- **Pray** that God would guide **Donovan D**, **Gill N**, and the **program team** as they work on a program that helps OC listen to God and discern His direction together.
- **Pray** that God would give wisdom and accuracy as the team turns registrations into detailed plans for lodging, meals, children's ministry, transportation, billing, and budgeting.
- **Pray** that God would guide the planning for children and families, particularly children's programming, special-needs care, and the remaining cost questions.

Week 2: Prayer for Women's Shelters

- **Pray** for funding for the **Transitional Homeless Shelter** in the Middle East. To run their shelter, $100 covers only 1 day of rent, staffing, food, and counselling for women and their children. Pray for generous hearts to help support this ministry.
- **Pray** also that God will come into the lives of the women who become believers through these homes. **Pray** that God will continue to direct their lives and that they will pour into their faith.
- **Pray** for PEARL as they seek to hire more staff. **Pray** for wisdom in this placement and all the resources needed for increasing their capacity.
- **Pray** for the six theology university students who are doing a three-month internship with PEARL. **Pray** that the Lord will do His work in and through them.

Week 3: Prayer for Family Camp

- Please **pray** that God will provide everything needed for the **Family Camp** and that He will guide those who prepare for it.
- **Pray** for the upcoming **training** at the Family Camp starting on November 30 with pastors and church leaders from the Middle East. **Pray** for wisdom as they plan the meetings and that God will use the training to encourage and strengthen the churches and their leaders.
- Please **pray** that God will provide the funds needed by **Family Camp** for humanitarian work, projects, ministry, and schools.

Week 4: Prayer for Giving Tuesday

- **Pray** that God would move hearts to give generously this Giving Tuesday.
- **Pray** that **underfunded projects and workers** would be highlighted well and that they would receive a great blessing through this campaign.
- **Pray** that God would use OC to further his kingdom and steward the resources that He provides well to do His work.
